Kimberley flood victim scam alert

Scammers are ready to take your flood victim relief money. If you are getting flood relief money make sure you keep it. That money is there to help you with these hard times.

Fake charities might be calling you, emailing you, messaging you.

Scammers want your bank account details – do not give your bank account details to anyone.

Giving your bank details to scammers helps them to steal money from you.

Protect your personal information – do not share it.

Do not click on any links that are sent to your email or text messages.
